Re: Affidavit of Self Certifications as SDBE per SBA Standards

To whom it may Concern:

I, Eduardo Builes, Ph.D., President and Owner of XENCO Laboratories, hereby certify that our Laboratories meet the Small Business Administration (SBA) criteria for being a small business concern and its average annual gross receipts (as defined by SBA rules) over the firm's previous three fiscal years do not exceed the size-standard for such classification in accordance to 49 CFR part 26.

Thus, by the power vested in me, per regulations 13 CFR 124.101 (a), I represent that XENCO Laboratories is a SDB concern in order to receive a preference status for Federal procurement programs.

Enclosed you will find a letter from the SBA office, which states that a complete certification has been received and is pending final review and approval.

Should you need further information in regards to these matter do not hesitate to contact your XENCO Sales and Business Representative.

Sincerely,

A handwritten signature in black ink, appearing to read "Eduardo Builes", written over a horizontal line.

Eduardo Builes, Ph.D.  
President/CEO  
B&A Laboratories/ XENCO Laboratories
